

Pricing Policy  
(effective Jan-01-2009)

**Protons:**

Scheduling is per beamline and per 12h day. Beam is available between 7:00 and 19:00.

Access to beam is charged at \$627/hour. If both rooms are used the cost is \$1000/h.

Cancellation up to two weeks prior to the run is without penalty, after that the fee for 12h per day applies. Likewise, any scheduled day that is not used during a visit is charged at 12h per day.

If IUCF cannot deliver beam due to technical problems, only the delivered number of hours will be charged for a given day.

Setup outside the irradiation area is at no cost, charges apply as long as the room is occupied when beam is available.

For purchase orders please contact Gail Morell.

(E-mail [gmorell@indiana.edu](mailto:gmorell@indiana.edu), phone (812) 855-6374).

A purchase order should contain the number of hours of beam access planned and the dates when you are scheduled to run. Also, please indicate on the Purchase Order if you will be paying with Federal or Federal Pass-Through Funds and, if possible, specify the source of these funds. A purchase order is required at least three weeks prior to the run.
